Junk and Salvage Information

Explanatory Note:

If this VIN has a record in the **Junk/Salvage or Insurance information** then the business that submitted the VIN to NMVTIS deemed the vehicle to be either a *junk, salvage, or in the case of an insurer, a total loss*. The information in the **DISPOSITION** field in the Junk/Salvage section denotes what has happened to the VIN (i.e., vehicle) since it came into the possession of the business.

NOTE: No Junk/Salvage information was found in the **VIN** records, for this vehicle. However, most consumer groups highly recommend that you have any used or repaired vehicle inspected by a qualified technician that is independent of the seller.
